

## Dealer Agreement

Between Prezenta Product Group and \_\_\_\_\_, hereinafter called Dealer.

1. Dealer understands and agrees that Prezenta products are marketed as "value added" and as such there are no exclusive territories.
2. Dealer agrees that no Prezenta product will be advertised at a price lower than 90% of full-suggested retail price.
3. Prezenta will make available to Dealer any sales materials including brochures, direct mail, catalogs, etc. at wholesale prices.
4. All orders for Prezenta products obtained by Dealer shall be submitted to Prezenta for acceptance. Prezenta maintains the right to refuse any order submitted, at any time, for any reason deemed appropriate.
5. All Dealer orders shall be prepaid unless approved by Prezenta for alternate payment terms. All orders under special terms exceeding \$1,000.00 will require a deposit equal to 50% of the total order and the balance will be due within 30 days.
6. If the Dealer's account is past due, outstanding orders will not be shipped until Dealer's account is paid in full.
7. Any collections and/or disputes shall be filed in New Hanover County, North Carolina and processed according to North Carolina state law.
8. Dealer agrees that all trademarked and registered product names (i.e. ShowMax®, Pactiva™, etc) are the property of Prezenta Presentation Products. Dealers are **required** to use the aforementioned names with all appropriate symbols (®/™) in advertising, when using product names and photographs or within a Dealer's website. Furthermore, registered and trademarked product names may not be used as a specific URL domain including, but not limited to: .com/.net/.org/.biz/.us (i.e. ShowMax.biz).
9. Both parties have the right to dissolve this agreement at any time with 30 days written notice.

I agree to the above terms and understand that failure to abide by the terms of this agreement will result in my account being placed on administrative hold, removal from Prezenta's dealer website listing and possible elimination as an active dealer.
